

Dear Parents / Carers,

We are finally at the end of the first part of the Spring term and it has been a busy one—with much to enjoy. Today has been 'Break the Rules' day and the children have been choosing different rules to break—wearing their hair differently, non-uniform or fancy dress, juice in water bottles, nail polish and temporary tattoos. The day is going well and our Headteacher for the day (Craig from TH5), and his deputy (Lucca from TH5) will be sharing an update on this here:

*I am the Headteacher today, and it was Break the Rules day. If you didn't know, I chose my deputy as Lucca. All students will have an extra-long art lesson and a challenge to draw us as chickens. Lucca and I helped present assembly by handing out awards to children. We went around the school to check the classrooms. It has been a busy day! - Craig (TH5)*

*In the morning, we went to school early so we could brief the staff and went on playground duty. We have also interviewed children in Year 3 about their trip to Flag Fen to make sure it was enjoyable and what they learnt. During the art lesson, Craig and I went around the classrooms to inspect the art. It was good and the children tried hard. It was a good day and it was busy! - Lucca (TH5)*

Thank-you to Craig and Lucca.

MD4 also shared the assembly this week about their learning about Romulus and Remus. It was wonderful! Well done to MD4.

We now have a half-term break and will look forward to seeing everyone on 24th February. Have a great week..

Best Wishes,

Mrs Keefe

### Year 3 Trip to Flag Fen

Flag Fen is near Peterborough and is a Bronze Age village and is well-worth a trip. On Monday, the Year 3 children went to Flag Fen as part of their learning. While the children were there, they listened to stories in a Bronze Age hut. They learned that after the Iron Age was the Roman Age. They made clay pots—this was a favourite activity amongst the Year 3 children. They all enjoyed it and had a great time.

### Parents Evenings

Appointments are now live. Don't forget to book your appointment. The link to do so is on the Parents' Evening letter.

### Safer Internet Day—Breck Foundation

The Breck Foundation told us about the story of Breck on Tuesday. Breck was groomed by another boy—he told him lies when gaming.

We learnt that we shouldn't trust people we don't know online and we also learnt the signs of grooming. We learnt what to do if someone tried to do this to us—by blocking them and reporting them—both online and to trusted adults at home and in school.

The workshop helps us to know how to keep safe.

- Craig and Lucca

There was also a talk for parents from the Breck Foundation. A video link of this has been sent home. If you missed, please watch it—but be quick as the link expires on Monday.
