Dear Parents / Carers,

### Re: Homework Policy Review

An invaluable part of our children's education while at Priory Junior School involves working in partnership with parents, reinforcing learning through homework activities. You will know that there are a wide variety of home-learning activities your child is expected to complete; these range from reading, spelling and tables learning, to our Seesaw and mathletics activities.

We are currently in the process of reviewing our homework policy. As part of this review, we would welcome your feedback on how you find our current approach to homework. Please can you complete our survey on this by clicking [here](#). This will help us to gather your views as part of our review of the policy – identifying what's working well, and how we can make the experience better for families too.

We look forward to sharing the revised policy with you in the near future.

Yours sincerely,

Tracy Keefe
