Dear Parents,

The Breck Foundation – Parent Workshop

Next week in school, the children will be taking part in e-safety workshops in class, led by The Breck Foundation. The Breck Foundation are a charity who were set up by Lorin, the mother of Breck. Through age appropriate work, they teach children about the safety needed when participating in games online. We are aware that many of our children enjoy playing games online, and we are also aware that many of them communicate with others while doing so. Therefore, we feel that this was an important workshop to hold in school for all our children.

We are also delighted that The Breck Foundation will be holding an online session for parents too, and would encourage you to attend this, as we are sure you will find this session extremely useful.

This will be on **Wednesday 24th May at 6pm.**

The session will take place on Zoom, and the details for joining the meeting are below:
