

Dear Parents,

Following the Harvest assemblies last week, and the donations collected for the Foodbank, we received a lovely email from the Foodbank this week:

*Just to say a big thank you for all the food that was collected at your Harvest Assembly last week - it came to an amazing amount of 160.36 kg.*

*Please pass on our grateful thanks to your pupils, parents and teachers for their very generous donations.*

*We do appreciate your ongoing support for the Foodbank.*

*Many thanks.*

Our final library visits take place next week. It has been great to hear how enthusiastic the children are about these visits. We are very lucky to have such a great library in the town.

You should receive a letter regarding the forthcoming parents evening today. Parents evening booking will go live on **Monday, 21st October**. Please do book an appointment to meet with your child's class teacher.

We also have our first class assembly of the year to look forward to—with SB5's class assembly on **Wednesday, 16th October at 9.15am**.

The week ends with our FOPJS Quiz night on **Friday, 18th October**. Please see details on the poster below and be sure to book a place at what promises to be a great evening.

Have a good weekend.

Best Wishes,

### Health Promoting School

As a school, we are very keen to promote the importance of being healthy. One part of this is our commitment to PE and active lifestyles. We also are keen to support children to be healthy in food choices too.

We all understand that children enjoy the occasional treat, however we have seen an increase of sweets/chocolate bars in packed lunches. These sugary items are not allowed in lunch boxes or at snack time.

We also see in our afternoon lessons, the impact these high-sugar items are having on concentration and learning. Please work with us to ensure that our children have healthy bodies and healthy minds during the school day by:

- Ensuring your child has a water bottle—with water in it each day.
- Healthy snacks at breaktime. No crisps, cakes or biscuits for break times.
- Healthy lunch boxes-no chocolate bars, sweets or sugary drinks.

## THE OXFORD & CAMBRIDGE SINGING SCHOOL

The Oxford and Cambridge Singing School is for boys and girls aged 7-13 who love to sing. The Singing School was established to give children the opportunity to experience great classical music with world class coaches in a relaxed and fun environment and to develop their confidence and ability in singing and performing.

Pupils will learn some beautiful music and at the same time gain a background in vocal technique, music theory and history. Families are most welcome to come and listen to an informal concert at the end of each day.
