Wednesday 15th May 2024

Dear Parent/Carer,

During the week beginning **Monday 10th June** 2024 members of year 4 will be taking part in the **multiplication tables check**. The purpose of the check is to determine whether your child can fluently recall their times tables up to 12, which is essential for future success in mathematics.

What is the check?

It is an on-screen check consisting of 25 times table questions. Your child will be able to answer 3 practice questions before taking the actual check. They will then have 6 seconds to answer each question. On average, the check should take no longer than 5 minutes to complete.

Do I need to do anything to prepare my child for the check?

You do not need to do anything additional to prepare your child for the check. As part of usual practice, we encourage you to continue to give your child lots of opportunities to practise their times tables through TT Rockstars – soundcheck being the closest thing to the multiplication tables check.

Yours sincerely,

The Year 4 Team
Mr Hodgkis, Mr Broliia and Miss Lygo
