Headteacher: Tracy Keefe B.Ed (Hons) NPQH

Dear Parents/Carers,

Hopefully, your children will have shared with you some of the changes that they have experienced during their lunchtimes so far. If not, they are outlined below.

- Introduction of a stereo to play music
- 'Small world area' where pupils can play with trains, Lego, animal figures etc
- Increased sports equipment – tennis, netball and hurdles
- Introduction of large loose parts – bread crates, tyres and wooden planks
- Introduction of a crafts area – chalk, cardboard boxes and drawing

We have already seen such an improvement in our lunchtimes and I hope that your children are experiencing this too. In the future, we have plans to introduce a beach area, a digging area, a water area and a mud kitchen, which is very exciting! To make this possible, we are hoping to recycle lots of unwanted items and connect with any businesses that are able to support us by making donations. Below is a list of items that we are looking for:

- Large Tarpaulin
- Large fabrics
- Rope
- Guttering
- Different sized buckets and watering cans
- Water barrels
- Large pots and pans
- Kitchen utensils – ladles, sieves, colanders, whisks, measuring jugs, manual scales etc
- Garden Trowels and spades

Please bring any donations to the office or liaise with Mrs Welch via the forms link below, the school office or on the playground before or after school.

Finally, if you have any connections with businesses that might be able to make donations of any of these items, please complete this form and I will make contact with you. <https://forms.office.com/e/c5HtdDsbm7>

Thank you very much in advance for your support and for any donations that you are able to offer.

Best wishes,

Emma Welch
Deputy Headteacher
