

Dear Parents,

We have finally reached the end of the first half-term. I know, from the many conversations I've had with parents recently, many of you are looking forward to the week's break.

As always, it's been another busy week in school. TS4's class assembly was fantastic—sharing their learning about Ancient Egypt so confidently. Well done, TS4!

Our Year 4 children also enjoyed an Ancient Egypt day in school yesterday—they certainly looked the part too! Thank-you for supporting with this.

Our sharing assembly today was a great celebration—with many achievement awards being presented. AI6, EL4 and SB5 also shared some of their learning from this term too—we saw some brilliant clay dragon eyes (AI6), Egyptian masks (EL4) and a superb poem telling the story of Theseus and the Minotaur (SB5). It was a great culmination of all their learning this term.

Thank-you to our Year 6 children for hosting the coffee morning this week—we enjoyed hearing about your Viking learning.

Have a good half-term break. We look forward to seeing everyone again on 4th November.

Best Wishes,

Mrs Keefe

Staffing

Miss Lake, a member of our teaching assistant team, has started her maternity leave this week. We wish her well, and look forward to meeting her baby in the near future.

You may be aware that Mrs Wager has been absent this half-term. We are looking forward to her beginning to return to work after half-term, after a period of time recuperating at home.

Children in Need Day

Dress spotty on 15th November to raise funds for Children in Need—a just Giving page will be set up for donations after half-term.

OPAL Community Build Day

Are you able to lend a hand on 16th November? If you are able to spare an hour or even two, we could really do with some help!

We have a couple of OPAL projects that will help us in continuing to develop our lunchtime provision.

We can bring the biscuits and refreshments! Are you able to bring yourself, and some tools to help?

We are looking to build a mud kitchen and create a mound over a tunnel on the field.

Please see the OPAL flyer for more details.
